

Chomp – Terms of Use

Fresh food. Honest ingredients. Trusted care for your pets.

1. Our Promise

At **Chomp**, we believe every pet deserves food that is fresh, nourishing, and made with care.

These Terms are designed to be simple, transparent, and fair — just like the meals we prepare. By using our website or placing an order, you agree to these terms.

2. Who We Serve

Our services are created for:

- Pet parents who want fresh, homemade nutrition for their dogs and animals
- Families who consider pets as part of their home

You may use Chomp:

- For your own pets
 - On behalf of someone else's pet (with their knowledge and consent)
-

3. A Relationship Built on Trust

To serve your pets better, we rely on your support:

You agree to:

- Share accurate details about your pet (age, breed, health conditions, preferences)
- Inform us of any allergies or dietary restrictions
- Keep your account information secure
- Interact respectfully with our team

We may restrict access in cases of misuse — only to protect our community and ensure pet safety.

4. Fresh Food, Real Responsibility

Chomp prepares meals using fresh, high-quality ingredients designed for pet well-being.

However:

- Each pet is unique — responses to food may vary
- Our meals are not a substitute for veterinary diagnosis or treatment
- We recommend consulting your veterinarian for specific medical conditions

Your pet's health is a shared responsibility — and we are here to support, not replace, professional care.

5. Privacy with Care

We respect your privacy as much as we respect your pet's well-being.

We may collect:

We use this to:

- Deliver orders efficiently
- Provide support and updates
- Improve our products and services

Your control, always:

- You may request access, correction, or deletion of your data
